CAUSE NO. 42619

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

The Verified Application for Approval in this Cause was filed on April 20, 2004. On June 4, 2004, the Commission received a letter from Petitioner's counsel requesting the Verified Application for Approval be withdrawn.

The presiding Administrative Law Judge, being sufficiently advised in the premises, now finds that because the Verified Application requests approval for the sale and transfer of unregulated customer premise equipment, the Commission does not have jurisdiction and the withdrawal of the Petition should be granted.

**IT IS SO ORDERED.**
